#### Description:

**Aqua Joy Premier Plus Bathlift** The AquaJoy Premier PLUS bathlift is a two-piece battery operated bathlift that can be electronically reclined or stopped at the preferred sitting position. The AquaJoy Premier PLUS bathlift is the easiest bathlift to put together and take apart, ensuring ease of use and transportation. With easy release, counter balanced suction feet, the AquaJoy Premier Plus bathlift can be removed from the bath with ease. The fully waterproof floating hand control contains a light weight battery and has large, blue concave and convex operating buttons as well as an indicator light and an easy to use and simple to understand charger. The AquaJoy Premier Plus Bathlift has a 170kg (26.7 stone) weight limit which also ensures the bathlift will be suitable for heavier clients. The standard, washable and easily removed covers are padded and comfortable to sit on. Optional Gel Filled Covers which provide extra padding are available for low weight or pressure care clients and offer an alternative solution with more specific needs. The AquaJoy Premier PLUS Bathlift comes with a wide range of optional accessories allowing versatility for clients and better options for providing Loan Equipment Services. Sideflap Diverters are packed free of charge in every box and middle suction cups can be added for baths with ripples or dimples.
