Product Details

Title: Bath Lift, Bathlift, bathlift uk, Bathing aids, Bathlifts

Product Name: [Aquila Bathlift](#)

Category: [Bathlifts Bath Lifts](#)

Model: Aquila Bathlift

Description:

Aquila Bathlift The Aquila reclining bath lift is a robust bath lift that is light and easy to move and position. The Aquila has a backrest that reclines at the touch of a button. The Aquila Bathlift is also hygienic and easy to clean. This bath lift is safe and stable, enabling you to relax again at bath times. The Aquila does not require a power source in the bathroom - all the power comes from the hand controller unit with built in rechargeable battery which can be charged up and used safely in the bathroom. The angle of the backrest can be adjusted at the touch of a button to make you comfortable in the water. The Aquila Bathlift has a higher than average back and headrest providing superb support and comfort. The compact design of the Aquila allows it to be positioned closer to the end of the bath, providing as much leg room as possible enabling you to stretch out in the bath and making sure your legs are not cramped up. The Aquila bath lift has a unique design. As the base frame is open, the bath lift can be raised to clean bath surfaces with ease. There are also limited cracks and crevices which makes cleaning easy, without having to struggle to scrub in between ridges and joints that can often be tricky to get to. The Aquila comes without a cover but a soft cover or padded cover are available. **Benefits of an Aquila Bathlift; Button Controlled angle adjustment- Increases comfort for users with stiff hips or spinal problems, improves hygiene access for users with large abdomend ot stomas. Streamlined, higher than average design - Increases shoulder, neck and/or head support. Avoids additional costs of headrests. Compact design optimises legroom - Good bathing space even when fully assembled. Generous space for transfers on and off lift, low seat height provides good immersion Option Accessories Available:- Carry bag - A stylish carry bag provides the perfect solution for transporting your Aquila Bath Lift safely and easily. Available in navy blue and branded with Aquila's logo, the bag features padded sides and strap. Perfect for holidaying or visiting family or friends, the bag also protects the bath lift from dirt and dust when being stored between uses. Centre sucker fixture kit - Where rippled bath surfaces interfere with the secure positioning of the Aquila Bath Lift, the centre sucker fixture kit allows front suction feet to be repositioned to the middle of the base frame for secure adhesion on smooth bath surfaces.
