Model: Bath Wizard BathLift

Description:

Bath Wizard Bath Lift The Bath Wizard Bath Lift is a comfortable bath seat, that uses a hydraulic piston to gently and slowly lower the user down in the bath. It has four strong springs to raise them up again with a little assistance on the bath rim from hands or forearms. The seat is mounted on a stainless steel frame with sucker feet at the front and roller wheels at the back. It can be locked in any position with a simple lever allowing the raise to be done in stages if required, but locks automatically when it reaches the top. Please choose the Bath Wizard bathlift model which best suits your weight range as the bath wizard is set up in the factory to suit your individual needs. see 'User Weight Guide' in Specification. The Bath Wizard Bathlift is available for standard baths and deeper baths.
