Description:

Lightweight Single Wheel Powerstroll This Powerstroll was developed to be ultra lightweight, user friendly and to hit a great price point. Makes pushing a wheelchair easy! The Lightweight Single wheel Powerstroll Power pack from Drive Medical makes easy work of hills, ramps and uneven surfaces. The Powerstroll will turn most manual wheelchairs into a carer controlled powered wheelchair. The Powerstroll can easily be fitted or removed within seconds. The Powerstroll motor is safely attached to the wheelchair frame by using bracketry, which is installed without the need for tools. It features a carry handle designed to aid installation. The Powerstroll features easy to fit handgrip extensions to allow for greater comfort and to help prevent the attendant from accidentally catching the motor with their feet during use.
