Product Details

Product Name: [Quick Suction Rail](#)

Category: [Bath Rails](#)

Model: Quick Suction Rail PR45751

Description:

Quick Suction Rail The Quick Suction Rail is designed to assist your natural motion when stepping into or out of the shower/bath or when you just need that extra support. The plastic rail features ribbing along the hand rail to give additional grip and reduce the risk of slipping. The grabrail attaches to any smooth non-porous surface using suction cups meaning that no drilling is required to mount the bars. Ideal for use on tiled walls or where drilling is not possible. Available in two sizes. Order online or call us on FREEPHONE 08000 430357 Order online or call us on FREEPHONE 08000 430357
