Description:

Are you having a little trouble getting up the Stairs at Home? All our pre-used stairlifts are reconditioned and rigorously tested by our team of engineers, before being fitted in your home. We simply don't compromise on quality so when you see the Stannah Reconditioned badge, you can be sure we've thoroughly checked that it's every bit as good as a new one. Before a Stannah reconditioned stairlift is fitted in your home, we make sure it meets our own standards. Stannah Standards: Rigorous 42 point check, to ensure everything is in perfect working order. Upgraded where necessary to meet current safety and technical specifications Unique serial number given to every reconditioned stairlift in order to verify its full history Complies to British Safety standards Curved rails are tailor-made precisely to ensure the best possible fit Only installed by our Stannah trained engineers Comprehensive 12 month guarantee Rapid, expert service support, 24 hours a day, 365 days a year from our nationwide teams of locally-based engineers. Stannah offers reconditioned stairlifts on all chair models subject to availability. Just call us On FREEPHONE 08000 430357 and Ask us for a FREE Stairlift Quote.
