Description:

The Sonaris bathlift Combining superb functionality and outstanding performance with great design, the new Bathmaster Sonaris Bathlift sets the standard for safe independent bathing. With an all plastic construction the Sonaris Bathlift is easy to clean and maintain, and is strong and robust ensuring complete stability. Sufficiently lightweight to be easily manageable, it fits into the bath with the minimum of effort. The Sonaris Bathlift has been designed to provide a comfortable and supportive bathing position which may be further enhanced with the addition of the optional pads. The single button operation allows the user to descend and keep the backrest upright or to recline back to a more comfortable position, whilst retaining ample leg room to relax in the bath. The Sonaris Bathlift hand controller incorporates a superior battery delivering market leading performance. It incorporates a host of useful features, including audible and visual alarms to signify operation and battery charge levels, and a handy sleep function to preserve the battery life. The Sonaris Bathlift is available with blue or white covers.
