Category: [Stairlifts](#)

Model: Stannah Rental

Description:

Stairlift Rental Are you having a little trouble getting up the Stairs at Home? For straight staircases Our rental scheme allows you to enjoy the benefits of a Stannah, whilst paying for the stairlift one month at a time. To provide you with complete peace of mind we even take care of the servicing and call out costs for the duration of the rental period. We have three models available to rent for straight staircases: our latest stairlifts the Solus and Sofia models, or the classic Saxon. All three models are available as either new or reconditioned products to rent. Our range of reconditioned stairlifts are rigorously tested by our team of engineers before being installed in your home, so you can be assured of the same quality as our new products. Taking advantage of Stannah's unique rental scheme couldn't be easier. All you need is an initial deposit to cover the administration, installation and later removal of the stairlift. From then on you'll be charged a set monthly fee for the duration of the rental period. You are free to cancel the agreement at any time and only committed to one month's rent in advance at a time. Your monthly rental includes, Fitted by a fully trained installer Servicing and call out for the duration of the rental period Full product documentation Removal of stairlift Nationwide local backup 24 hour call out, 365 days a year For curved staircases Our rental scheme allows you to enjoy the benefits of a Stannah, whilst paying for the stairlift one month at a time. To provide you with complete peace of mind we even take care of the servicing and call out costs for the duration of the rental period. Our curved stairlifts run on twin rails which are fitted to the stairs, and not the wall and are made completely bespoke, to ensure they fit the exact dimensions of your staircase. We have three models available to rent for a curved staircase: our latest stairlifts the Solus and Sofia models, or the classic Sarum. All three models are available as either new or reconditioned products to rent. Our range of reconditioned stairlifts are rigorously tested by our team of engineers before being installed in your home, so you can be assured of the same quality as our new products. Taking advantage of Stannah's unique rental scheme couldn't be easier. All you need is an initial deposit to cover the administration, installation and later removal of the stairlift. From then on you'll be charged a set monthly fee for the duration of the rental period. You are free to cancel the agreement at any time and only committed to one month's rent in advance at a time.
